Department of Global Business

April Enrollment/ September Enrollment

A Gateway to the Global Business Scene

Global business strategies have become vital and there has been an increase in the opportunities to use foreign languages, such as English and Chinese, even in the Japanese business scene. A clear example of this is Japanese companies using English as their common language. Therefore, students in the Department of Global Business acquire practical language skills and business skills through studying management and business in English while improving their language abilities in English and Chinese. Thus developing the ability to play an active role in the global business environment.
